## **NEW TRAFFIC PATTERN AHEAD AT NEW COX ROAD (ROUTE 460) AND COURTHOUSE ROAD IN DINWIDDIE**

*Drivers should be prepared for new pavement markings and rumble strips*

**DINWIDDIE** – Beginning at 8 a.m. Monday, May 11, the Virginia Department of Transportation (VDOT) will begin installing new pavement markings, rumble strips and signage for added safety and operations at the intersection of New Cox Road (Route 460) and Courthouse Road in Dinwiddie County.

Unanimously approved by the Dinwiddie County Board of Supervisors in February 2020, the new traffic pattern will reduce Route 460 to one lane in the vicinity of the intersection and provide more room for vehicles in the median so that they can avoid crossing into oncoming traffic.

Drivers should use caution in the work zone during the day Monday. Weather permitting, all work is expected to be complete before Tuesday, May 12.

Anyone with questions about the project can call VDOT's customer service center at 800-FOR-ROAD (800-367-7623). More information about the project can be found at <http://www.virginiadot.org/projects/richmond/new-traffic-pattern-at-new-cox-road-route-460-and-courthouse-road-route-627-in-dinwiddie-county.asp>.
